JUNE 2011-UPDATE:

APOSTOLIC MINISTRY IN THE USA

14 Years of Ministry in the USA:

Apostle Vincent Valentyn commenced his ministry in the USA in Norfolk, VA during December of 1997 and has subsequently made about 35 additional trips, speaking in many different churches and denominations located in many different states. From the time of these humble beginnings of the ministry in the USA the Lord has granted him grace to develop a strong itinerant ministry comprising of about 5 visits per year, spanning a total period of about 4 months per annum. The primary work that has been accomplished by the Lord through these visits has been the declaration of the gospel of the kingdom of God, the restoration of the house of God and leadership

He has travelled to about 135 cities in 35 nations, declaring the gospel of the Kingdom of God, the reformation of the church and the development of godly leaders. God, by his excellent grace; has made him a spiritual father in the body of Christ and is giving him a growing household of sons whom he serves with great joy and love. His apostolic work is pragmatic and systematic, helping leaders take their churches through an ongoing process of restoration and reformation, aiming at a finish product that resembles the biblical model for the New Testament church.

He is the author of six books dealing with the subjects of authority in the church, leadership development, business principles and multicultural relationships. He also writes many articles for distribution via the internet. He is the academic dean of All Nations Leadership Academy, situated in Cape Town, South Africa, an institution established for the training and equipping of emerging leaders for the kingdom of God.

He is trained academically as a minister and businessman, holding various degrees in divinity and business administration as well as an honorary PhD from Lincoln University.

Ministerial Reviews:

"Thank you so much for sharing with our church fellowship the gifts of Revelation Knowledge, Apostolic authority, governmental protocol, excellence of Spirit, prophetic discernment, foretelling, good humor, and pleasant fellowship." "How good and pleasant it is for brethren to dwell together in unity." In accordance with the parable of Matthew 22, we feasted through the Word presented by you at the marriage dinner of the King for his son. You served "oxen and fatlings" (meat) from the table of the King. (Mt. 22:4)."

"Apostle Valentyn has visited our church a number of times. He brought precise messages on the Kingdom of God. Our members and others in attendance were taken to another level. Clarity of our duties and benefits in the Kingdom of God was deposited in our spirit and has been put into action in our daily lives. Thanks to Apostle Valentyn for your obedience to the call of God upon your life."

MINISTERIAL REVIEWS: (CONTINUED)

"What a joy it has been to have a relationship with KLMI and Apostle Vincent Valentyn. Since the day of our coming together in relationship it has been a real blessing to all the saints. The encouragement and love we have received, along with the level of the word being shared with us has been very beneficial in building the Kingdom of God in our lives. We put great value upon the relationship we have and trust the Lord will continue to give increase through it."

"What a pleasure it is to speak on the miraculous works of our heavenly Father. Apostle Vincent Valentyn was introduced to the Heywood Family more than a year ago, via one of his associates in ministry, Apostle David Clemetson. Ever since his first speaking occasion at the 2010 Intercessor's Prayer Conference (Kingdom Life Church in Savannah, GA), my husband and I knew Apostle Valentyne walked in the office of an apostle with special grace and anointing. His teachings have truly been a blessing to the Heywood Family, as well as many others in the surrounding locations. His wealth of knowledge and wisdom demonstrated when teaching the principles of the word of God have been a spiritual enlightenment. He was also introduced to my mother (Pastor Knarvie Ross) in Jesup, GA. God graced Apostle Valentyne to minister Kingdom principles to all present, and his teachings are still being discussed to this day. Their souls were so enriched. May God continue to shine His blessings upon you Apostle."

also the vision the Lord has put in our hearts. Our hearts are being knitted by the Lord with them and we as a Body have received much encouragement from their visits with us here in Oklahoma. I sense in the Lord our working together in the years ahead to fulfill the vision the Lord has given us; that the Glory of the Lord Jesus Christ will fill the whole earth through the Church. May God bless all who join with the Lord in His bringing this about in a practical, day-to-day, living way!"

"Your visit to our ministry was well received and the depth of the teachings is like none other than we have ever heard before. They are teachings and principles that we have begun to walk and live in from the day that we heard the teachings. We were tired of church as usual and your visit was an answer to our prayers. Our lives have been totally transformed since our relationship with your ministry and teachings. We look forward to your visits again; we are thirsty for new wine!! Your labors are not in vain!! Keep coming to continue to feed us."

"We are so grateful and thankful for the ministry of Apostle Vincent Valentyn and his wife Arlene. Our entire ministry and congregation has been impacted and empowered by them in the ways of the Kingdom of God; not just in their teaching gift, but in their lifestyle as well. May you have many more years of fruitful ministry in the kingdom of God."
